INFORMATION

We are large growers and not jobbers.

We try to please our customers at all times.

We do not buy dahlias of failing or bankrupt growers to fill our orders.

Dahlia bulbs shipped by express are rated as second class and are listed as perishable.

The express company stands all loss by freeze, or damaged otherwise, therefore do not hesitate to have orders shipped in cold weather.

Express on dahlia bulbs is very low, often it is much less than parcel post or freight.

All freight and parcel post shipments travel at purchaser's risk as freight companies do not insure against freeze. Freight shipments travel slow and are handled rough. First-class freight costs about the same as express.

Be sure your express agent has given you second-class rates. If unable to get second-class, notify us and we will assist you.
